NORTHERN BAPTIST EDUCATION SOCIETY GRANT

GRANT APPLICATION

The Northern Baptist Education Society was founded in 1791 to aid worthy men and women in obtaining an education for Christian Ministry. Since that time the Society has helped thousands of men and women in their educational journey so that our churches would have an educated clergy.

Our goal in collaboration with the ABCVNH Institute for Learning is to further assist those who are seeking the proper education and credentials to be able to serve as pastor or staff in one of the American Baptist Churches of Vermont & New Hampshire. We are seeking to assist those who feel called of God to serve the Church of Jesus Christ our Lord.

Our commitment as a Society is to pay the tuition for every other course a student takes. That is if the student completes one course the Society will pay for the next course throughout the process. This application is to begin that process. All renewals for funds for other courses will be a simple e mail request from the Director.

To The Institute Director:
